

Hocking Hills Acupuncture

Informed Consent

Acupuncture is not considered primary care in the state of Ohio. Ohio State Law requires that I recommend you obtain an exam and diagnosis from a physician or chiropractor for the condition you are seeking treatment. Please check the box of the option that applies to you then sign and date:

☐ I have received an exam and diagnosis by a physician or chiropractor within the last six months

Patient Signature _____ Date _____

☐ I have **NOT** been examined by a physician or chiropractor within the last six months for the condition I'm seeking treatment. I understand that Melanie Lewis, L.Ac. from Hocking Hills Acupuncture recommends that I seek an exam and diagnosis from a medical physician or chiropractor to assist in my care and to rule out more serious health issues.
